Shopping Spree

Atom and His Package

I can't take it no more so I'm going on a shopping spree, yeah
I can't save no money 'cause I spent it on a shopping spree, yeahFlagstaff, Arizona, it's been two weeks on the road with
Sean na na na na na na na na na na na na na na
One day, before we did play, we penned a song by us, for us
We didn't write the verse but we had the chorusI can't take it no more so I'm going on a shopping spree, yeah
I can't save no money 'cause I spent it on a shopping spree, yeahAfter the show, there's no where to go
Everywhere's packed with white baseball hat-ed frat boys
So we end up at this empty place, got a flaming doc
The 'Dali Llamas' were the band scheduled to rockBenny na na looks at me, I think I hear what he's saying
"Atom, do you hear what they're playing? They're going shopping"I can't take it no more so I'm going on a shopping spree, yeah
I can't save no money 'cause I spent it on a shopping spree, yeahShopping spree, shopping spree
Shopping spree, shopping spreeThis is the breakdown, yeah
So Dali Llamas, whatever
Spelled Salvador Dali, and the animal, how clever
You have a five string, fretless bass
You stole our song, now we rock your faceI can't take it no more so I'm going on a shopping spree, yeah
I can't save no money 'cause I spent it on a shopping spree, yeah, yeah
