

Do You Remember? (Demo) [2016 Remastered]

Phil Collins

We never talked about it
But I hear the blame was mine
I'd call you up to say I'm sorry
But I wouldn't want to waste your time
Cause I love you, but I can't take any more
There's a look I can't describe in your eyes
If we could try, like we tried before
Would you keep on telling me those lies
Do you remember?
There seemed no way to make up
Cause it seemed your mind was set
And the way you looked it told me
It's a look I know I'll never forget
You could've come over to my side
You could've let me know
You could've tried to see the difference between us
But it seemed too far for you to go.
Do you remember?
Through all of my life
In spite of all the pain
You know people are funny sometimes
Cause they just can't wait
To get hurt again
Do you remember?
There are things we won't recall
Feelings we'll never find
It's taken so long to see it
Cause we never seemed to have the time
There was always something more important to do
More important to say
But "I love you" wasn't one of those things
And now it's too late
Do you remember?
