Lord You've Been So Good

Amber Bullock

[Verse 1]
Could?ve been dead sleeping in my grave
But you said no it wouldn?t happen that way
Gave me a second chance and I thank you for that
The devil tried to get me but you had my back
Lord you gave your life up just for me
You caused the lame to walk and the blind to see
Could?ve gave up any day
But you didn?t so all I have to say is

[Chorus]
La la la, La la la la
Lord you?ve been so good
La la la, La la la la
Lord you?ve been so good
(Repeat)

[Verse 2]
Woke me up and you didn?t have to
Always been there when I?m going thru
I just wanna say what?s on my heart
You?ve been by my side right from the start
Lord I go thru so much pain
But you kept my mind and you kept me sane
Lord I love you in a special way
I know you love me too all I got to say is

[Chorus 2x]

[Bridge]
Lord you?ve been so good
You?ve had my back when no one would
You picked me up when I was down
I know you?ll always be around
(Repeat)

[Chorus out]
