

Driven By You

Brian May

Woah, everything I do I do for you, oh yeah We touch
And you're afraid of me and we burn
And now I'm at your feet, high speed
But you know you're in safe hands In the dark
We make a brighter light from one spark
To the horizon wide we trust
And together we tame the land, yeah Ooh you'd be forgiven if you think you're dreaming
But we're working night and day
To make a dream come true, yeah
Everything I do is driven by you Oh well it's tough
To make a journey through the right stuff
Is dead ahead of you and me
And you know we've still got time Hold on tight
To the driving wheel and this ride
Is really out of line, raw deal
But there's no other that's worth a dime You know I love you but you drive me crazy
'Cos you're saying all the things I want to say to you
You say, everything I do is driven by you Everything we do, everything we do
Everything we do, everything we do
Everything we do is driven by you And inner children lost their way
Now they know the price you pay
I'm holding on to life with you
'Cos life without you just won't do Driven by you Oh you know we're never going to know who's dreaming
But we're working night and day
To make a dream come true, yeah
Everything I do is driven by you Everything we do, everything we do
Everything we do, everything we do
Everything we do, everything we do
Everything we do, everything we do
Everything we do is driven by
Driven by, driven by you Ooh everything I do, I do for you
