

# Toni and Me

## Code Red

Thinking of you and the things you do  
When I wake up you're there  
With your body around me  
It's true that I'm needin' you  
You would do anything anything  
Anything to please me

### CHORUS:

Me and Toni Toni and me oh oh  
We are one and the same  
Me and Toni Toni and me oh oh  
We'll always be  
Toni my only my love  
You're on my mind all of the time  
Even when I'm sleepin' into my dreams you're creepin'  
And cannot deny  
That I'd rather go blind than to see you walk away from me  
Oh

### CHORUS

And when I'm lying with you alone in a room  
In the darkness  
Our love's so strong that it hurts  
And I realise you're my Toni  
Oh oh

### CHORUS x 2
