Japanese Girl

Metro Station

I've never felt alone
in a city so busy
Baby when you give it to me
Girl you look so prettyI hope you never leave me
and I promise to stay
but if you say it back
I won't believe you anywayYou move so fast
In the sac it comes quick
By the end of the night
It's you I'm gunna pickDon't say you love me
Cause you sound so fake
I see that you're my mistakeMy little Japanese girl
My Tokyo baby
My little Japanese girl
You drive me crazyI can't understand a single word you say
But until the morning it's here we'll layI know I sound crazy
but with you I feel sane
Deep in my heart
I know you're so vainYou move so fast
In the sac it comes quick
By the end of the night
It's you I'm gunna pickIt's your body
To me you'll give
So come on let's liveMy little Japanese girl
My Tokyo baby
My little Japanese girl
You drive me crazyBaby baby
Bend on it with your lips now
and shake it off
show me with your hips now
(x2)My little Japanese girl
My Tokyo baby
My little Japanese girl
You drive me crazy
(x2)Oh ooo oh oh
Oh oh ooo oh oh
(x8)
