Japanese Girl

Metro Station

I've never felt alone in a city so busy Baby when you give it to me Girl you look so prettyI hope you never leave me and I promise to stay but if you say it back I won't believe you anywayYou move so fast In the sac it comes quick By the end of the night It's you I'm gunna pickDon't say you love me Cause you sound so fake I see that you're my mistakeMy little Japanese girl My Tokyo baby My little Japanese girl You drive me crazyI can't understand a single word you say But until the morning it's here we'll layI know I sound crazy but with you I feel sane Deep in my heart I know you're so vainYou move so fast In the sac it comes quick By the end of the night It's you I'm gunna pickIt's your body To me you'll give So come on let's liveMy little Japanese girl My Tokyo baby My little Japanese girl You drive me crazyBaby baby Bend on it with your lips now and shake it off show me with your hips now (x2)My little Japanese girl My Tokyo baby My little Japanese girl You drive me crazy (x2)Oh ooo oh oh Oh oh ooo oh oh

(x8)
