The Sky Is the Limit

Virtue

The sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantNow, I remember mama showin' me
That I can do all things through Christ who strengthens me
Even when the world says you can't succeed
They don't know who's got my back straight pushin' meNow, if they don't believe, what will make them see
I believe that they will see through me
That can't nothin' shake me or break me
It only makes me understand, the world is in His handsAh, I'm not sayin' it's easy, no
There's certain things that you gotta be, yeah, yeah
Like you gotta be born again
A brand new being, yeahAh, so if you are tryin' to reach
The sky keep hittin' the ceilin'
All you gotta do is follow me
And He'll make you believeThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe situation's got the best of you
They keep on tellin' you that you ain't gonna make it through
But they don't know that you know who holds the truth
And don't you know that there ain't nothin' that He cannot doGet down on your knees and start to believe
He can do what people can't conceive
He just heal you and fill you
I want it clear you understand, the world is in His handsI'm not sayin' it's easy, no
There's certain things that you gotta be, yeah, yeah
Like you gotta be born
A brand new being, yeahAh, so if you are tryin' to reach
The sky keep hittin' the ceilin'
All you gotta do is follow me
And He'll make you believeThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have

What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantNow I just wanna tell the truth
About His live that's available
It is a love that goes everywhere
God's love is everywhereAs long as you can give your heart to Christ
I promise it'll make a difference in your lifeThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you wantThe sky is the limit and I know if you keep on
Just keep on pressin' on
The sky is the limit and I know that you can have
What you want, be what you want
