

# Heartbreaker (Live BBC Sessions)

## Led Zeppelin

Hey fellas, have you heard the news?  
You know that Annie's back in town?  
It won't take long, just watch and see  
That the fellas lay their money down  
Her style is new but the face is same  
As it was so long ago  
But from her eyes, a different smile  
Like that of one who knows  
Well, it's been ten years and maybe more  
Since I first set eyes on you  
The best years of my life gone by  
Here I am alone and blue  
Some people cry and some people die  
By the wicked ways of love  
I'll just keep on rollin' along  
With the grace of the Lord above  
People talkin' all around  
'Bout the way you left me flat  
I don't care what the people say  
I know where their jive is at  
One thing I do have on my mind  
If you can clarify, please do  
It's the way you call me by another guy's name  
Name, name, name, name, oh, name  
Work so hard I can't unwind, get some money saved  
Abuse my love a thousand times, however hard I tried  
Heartbreaker, your time has come, can't take your evil way  
Go away, heartbreaker, heartbreak, heartbreak, heart
