

# Good Vibes

## Uptown XO

Good vibes

Bringing only good vibes

People walking around talking down on others

You can't know yourself without knowing about the other

And I know

That ain't the right way to go

I've got a hunch that we don't want to diss

Let's move away from hate and prejudice

The racist man yeah he's full of it

Let's learn about the culture opposite now

Don't judge a book by the cover

People take a look at the world and discover

That beauty is the word that I think of

When I see the different colors of skin

And I'll rejoice and sing for them

Oh, no, no, no

The hatred keeps building up

Oh, no, no, no

The tension keeps on building up yeah

Oh, no, no, no

The hatred keeps building up, yeah

Oh, no, no, no

The racism is killing us

When we come around, yeah

Try to keep compassion on the ground, yeah

Feel a sense of freedom with crowd, yeah

Connecting people with the sound, oh yeah yeah

Well it's a choice to be grateful

People focus on the enemy that's hateful

The daily news has got a picture of a man

They say I'm supposed to hate

So great, just another stereotype to make

Oh, no, no, no

The hatred keeps building up

Oh, no, no, no

The tension keeps on building up yeah  
Oh, no, no, no  
The hatred keeps building up, yeah  
Oh, no, no, no  
The racism is killing us

Too many times that I've seen the wrong signs  
Back up with your hatred in life  
'Cause we're bringing only good vibes  
Bringing only good vibes  
Too many times that I've seen the wrong signs  
Empty out the hatred in life  
We're bringing only good vibes

Good vibes  
We're bringing only good vibes  
Good vibes  
We're bringing only good vibes  
Good vibes  
We're bringing only good vibes
