

# Why Should I Care?

[Diana Krall](#)

Was there something more I could have done?  
Or was I not meant to be the one?  
Where's the life I thought we would share?  
And should I care? And will someone else get more of you?  
Will she go to sleep more sure of you?  
Will she wake up knowing you're still there?  
And why should I care? There's always one to turn and walk away  
And one who just wants to stay  
But who said that love is always fair?  
And why should I care? Should I leave you alone here in the dark?  
Holding my broken heart  
While a promise still hangs in the air  
Why should I care?
