

# The Red

## Peanut Butter Wolf

They say 'Freak'  
When you're singled out  
The red  
Well, it filters throughSo lay down  
The threat is real  
When his sight  
Goes red againSeeing red again  
Seeing red againThis change  
He won't contain  
Slip away  
To clear your mindWhen asked  
What made it show  
(What made it show)  
The truth  
He can't send to mostSo lay down  
The threat is real  
When his sight  
Goes red againSo lay down  
The threat is real  
When his sight  
Goes red againSo lay down  
The threat is real  
When his sight  
Goes red againSeeing red again  
Seeing red again  
Seeing red again  
Seeing red again  
Seeing red again  
Seeing red again  
Seeing red  
They say 'Freak'  
When you're singled out  
The red  
It filters through
