

# Sooper Luver Interview

## Redman

{ So Redman the whole town is just buzzing  
Why do they call you sooperman luver?  
I dunno, you know what I'm saying  
Every time I get finished hittin' tha boobs  
Of some big butt female, she start acting strange  
You know what I'm saying?  
Oh really? Really, that sounds very interesting,  
Yeah sweetheart  
What, what are your plans now that your off tour?  
I dunno since I'm off tour and shit I'll probably  
You know, fly off to tha island somewhere and  
Get a big stupid room with a crazy jacuzzi  
And madizzum and just lounge for a whole week  
You know what I'm saying, nothing spectacular  
You know what I'm saying doing tha wild thing  
Well I just happen to have my own jacuzzi  
So what are you saying sweetheart?  
Well, I just thought maybe  
Oh my God, whoa chill chill sweetheart  
Slow down you know what I'm sayin' }
