

Melvin's Flowers

Los Stompers

Fumbling around with a ukulele,
represents a breach of the peace
Uncle Frank's mislaid his shillelagh, noralaidy
Olive's in love with the brutish navy,
Joe prefers the ping-pong police
Lorry runs over lollipop lady, yodelay indeed

Lies begin at forty when you can't walk the line-
someone's tripping on the wire
If the rain pours down, don't send it in a letter-
Keep mum, keep shtum

Waiting for the better weather

A rolling stone attempts to atone,
the bells won't tell on me
Expiate, now that it's too late - sank too weary
Pottering about in the shed for hours,
what's the mystery?
Endlessly tending Melvin's flowers, baudelairry-he

Forget the hearts and flowers and forget the address,
someone's dreaming in the spire
If the words you heard
brought you out in a sweater,
Don't let the better set-up get upsetter

Waiting for the better weather

If the words you heard
brought you out in a sweater,
Don't let the better set-up get upsetter
