## Hotsquall

The hallowed lands so far behind  
As fleeting dreams still linger  
Like distant voices through the rain

Like grains of sand cast from my hands I never thought I'd go this far  
Without a star to cross the seas  
So far from shores I'd left behind

Still far from shores I've yet to reach I try to find the strength I need  
To calm the doubts in my belief

With the will, I know my heart won't break And if I have strength, then I've belief  
If I have love, my heart still beats

Here under stars far from home I try to find the strength I need  
To calm the doubts in my belief

With the will, I know my heart won't break And if I have strength, then I've belief  
If I have love, my heart still beats

Here under stars far from home The picture fades, the light recedes  
The sound is lost in whispers

My recollections once clear and pure

Now distant lights that dim with time I never thought I'd go this far  
Without a star to cross the seas  
So far from shores I'd left behind

Still far from shores I've yet to reach I try to find the strength I need  
To calm the doubts in my belief

With the will, I know my heart won't break And if I have strength, then I've belief  
If I have love, my heart still beats

Here under stars far from home I try to find the strength I need  
To calm the doubts in my belief

With the will, I know my heart won't break And if I have strength, then I've belief  
If I have love, my heart still beats  
Here under stars far from home
