How Ya Doin

Nightmares On Wax

Hey, how ya doin'
Sorry you can't get trough
Why dont you leave your name and your number?
I will get back to you (ooh)
Aint got no time for what you think can be
Described as love
I've cut you hold me, you're missing me, I've had enough .
I'ts been so long since you have treated me like I deserved.
So long, baby I'm gone
You can leave me a message after the tone.
You called, and I missed it
You called, and I missed it
You called and I missed it.
Never get back in, tried of listenin'
Hey how ya doin
Sorry you cant get trough
Why dont you leave your name and your number?
I will get back to you
Hey how ya doin
Sorry you cant get trough
Why dont you leave your name and your number
I will get back to you
Im so trough will wish the things the things with you and could be so good
Time to wake up or no make-ups cant make me a fool
Too much history, now it comes down to one thing
So long baby im gone.
You can leave me message for me after the tone.
You called I missed it
You called I missed it

Never get back in, tried of listenin'Hey how ya doin
