Velvet Sky

Carnation

Are you lookin' at the moon tonight
You even brave enough to try
To find your strength inside
Change your mind, decide
Cause I fell from the sky
I tried to catch your eye
In a velvet sky
Did you wish upon a fallin' star
Do you know where you are in your life
Are you walkin' in between the lines
I can tell by the look in your eyes
You're hurtin' way down inside
Afraid to leave your pain behind
Never know what you're gonna find
When you look up at the velvet sky
You will finally come alive
