

# What I Want

## The D4

Should I get up?  
Or sleep all day  
Answer the call?  
Or let the telephone ring  
Sit in silence  
Turn the radio on  
Find somebody to talk to  
Or sit around on my own Ah ah don't know what I want  
Ah ah don't know what I want  
Ah ah don't know what I want  
I don't know  $\tilde{\text{A}}\text{ç}^{\text{A}}$ ! Cross the street  
I could stay on this side  
I could play for your team  
Or keep playing for mine  
I could save all my money  
I could blow it all now  
I could work on my body  
Just give up on my health Ah ah don't know what I want  
Ah ah don't know what I want  
Ah ah don't know what I want  
Maybe it's you maybe it's somebody new Keep on pushin  
I could fall on my knees  
I could try to get famous  
I could try to get free  
I could live for today  
I could plan for my future  
I could be dead  
I could be richer Ah ah don't know what I want  
Ah ah don't know what I want  
Ah ah don't know what I want  
I can't decide what to do with my life  
Ah ah don't know what I want  
Ah ah don't know what I want  
Ah ah don't know what I want  
Maybe it's you maybe it's somebody new  
Maybe it's you maybe it's somebody new!
