

Old Times' Sake

Tracy Johnson

Here I am alone again
Iâ€™m all mixed up and right where I started, over again
Canâ€™t believe itâ€™s done again
I swore Iâ€™d never end up where I started, over again
I canâ€™t try any harder
To put these pieces together
If they were supposed to go they would fit
So try and try again
One more time for old timesâ€™ sake
I never meant to break your heart
I could break your heart
Please donâ€™t break my heart
Stupid girl what have I done
I always thought Iâ€™d get a happy ending, over again
Serves me right for having dreams
I never thought Iâ€™d see the ending, over again
And I canâ€™t try any harder
To put these pieces together
If they were supposed to go they would fit
So try and try again
One more time for old timesâ€™ sake
I never meant to break your heart
I could break your heart
Please donâ€™t break my heart
I knew we were over
Long before I walked away
When words turned to silence
And no one knew what to say
I knew we were wrong
But I hoped we were right
Cause you were my best friend
And I realize now that forever can end
In a year or in a day
So try and try again
One more time for old timesâ€™ sake
I never meant to break your heart
I could break your heart
Please donâ€™t break my heart
