

Beautiful

Unhindered

Angels singing, can you hear it?
Heaven's symphonies are ringing
Hearts are burning, can you see it?
Young and old returning

And it's beautiful
So beautiful

And I'm on my knees, at Your feet
I'm on my knees, again.. again

The blind are seeing, eyes are opened
Healing for the lost and broken
The beauty of Your love revealing
Oh, it's so beyond me

But it's beautiful
So beautiful

And I'm on my knees, at Your feet
I'm on my knees again, again
And I'm on my knees, all of me
I'm on my knees again, again

And it's beautiful
You're so beautiful
Oh, it's beautiful
You're beautiful
So beautiful my God
So beautiful my God

And I'm on my knees, at Your feet
I'm on my knees again, again
And I'm on my knees, all of me
I'm on my knees again, again
