If I Fall

Aqualung

Swept away By the wonder of it all So amazed Never saw it coming Left me dazed And I don't know where to turnHere and now Seems i'm standing on the edge Looking down I can clearly see your face In the crowd Makes me feel i'm not aloneIf I fall Will you catch meSeems to me I'm exactly where I dreamt I would be And the view from here is Something to see But I need a hand to hold on toIf I fall Will you catch me
