

One day in your life (international version)

Anastacia

I know, that's just it goes
And you ain't right, for sure
You turned your back on love
For the last time
It won't take much longer now
Time makes me stronger, way
There's nothing more to say[Chorus]
One day in your life
Said love would remind you
How could you leave it all behind
One day in your life
It's gonna find you
With the tears that left me cry
And baby I'm stronger then before
You gotta lay it on the line
Maybe one day in your lifeMy love
Did you think I'd break down and cry
This thing we had
It mean the world to me
Guess I wouldn't lie
It won't take much longer now
See time makes me stronger way
And I know you'll be coming 'round some day[Chorus]You called me in the midnight hour
With your velvet lies
So many sleepless nights, I wonder
Is it time to say goodbye?
Oh yeah[Chorus]One day![Chorus]
