

# Ballad of Jimmy Bones

LaToiya Williams

Jimmy bones, I, dig the way you move,  
your also sexy, smooth  
you turn me on and I see  
what you really mean to me  
and all I ever wanna be  
is right here with my boooooo  
its been a long time  
boy I miss you.jimmy bones why,  
did you have to leave me this way,  
you left me feelin dis way  
so im happy I pray, for piece of mind  
piece of mind, piece of mind, I give all,  
it hurts so bad to know.Chorus  
But he was bad to his bones  
good love at home  
so bad, bad to his bones (oooo)  
good love at home  
bad to his bones, baby i, can understand how making love,  
i can loose a man, i need you back, in my life to stay  
but until than,  
I wait for the day, for the day, for the day  
I wait for the day, for you to come back to me (ooohhhh).Jimmy bones I,its fortunate you had to go,  
I needed time to let you know,  
how much I really love you... so, so, so, so, so, so  
but lately throughout time,  
something strange is going down,  
and I feel you in my soul,  
just like a fella long time ago,  
So that I call your name out 'Jimmy'  
and I break down and start to cry,  
on my knees screaming my, my  
Lord I wish I could die to,  
I'd still be right there beside side you  
this aint no money loving, I do,  
couldn't get away, if i tried to,ohhhh Jimmy, he left me all alone  
but he was, bad, badddd to his bones (ooohhhhhh)  
good love at home,  
bad so bad, to his bones,  
so bad but good love at home (good love, good love)

bad to his bonesChorus  
Baby I, can't understand how making love,  
i can loose a man, i need you back, in my life to stay  
but until than, I wait for the day,  
I wait for the day,for the day  
for the day, bad to his bones,  
to his bones,good love at home  
so bad, bad to his bones (oooo)  
good love at home,bad to his bones (x3)
