Fly Again (broken Wings)

Danny Fernandes

Lonely Days
Why did I give my life to you (Oh no)
I?m in so much pain
All the shit that you put me through

Oh no no
When you shot me down I was high and flyin?
Never thought I?d be on my own
Got me straight through the heart now I?m dyin? (dyin?)
Falling all alone

So can you take these broke wings
And learn to fly again I know that?s what we need
Cause I can feel it in my skin
Before I fade away I know I?ll love again
Oh we oh we oh x4

Sleepless nights can?t even dream of what could have been (Oh no)
And baby you ain?t right
Want to where forget the past where do I begin (Oh no no)

When you shot me down I was high and flyin?
Never thought I?d be on my own
Got me straight through the heart now I?m dyin? (dyin?)
Falling all alone (Falling on my own)

So can you take these broke wings
And learn to fly again I know that?s what we need (I know that?s what we need)
Cause I can feel it in my skin (within my skin)
Before I fade away I know I?ll love again (I know I will love again)

Oh we oh oh we oh x4

All I do is think about you x2
I don?t wanna live without you x 2 (Live without you)

So can you take these broke wings
And learn to fly again
I know that?s what we need

Cause I can feel it in my skin
Before I fade away I know I?ll love again
