

# Leave Me Alone

## Razorlight

Oh when did you decide?  
To start livin' like it's suicide  
And wasting all my time  
And messin' up my mind  
Oh now darling please leave me alone  
Ahh, I'm so tired I wanna be on my own  
But you, you keep on calling on my telephone  
And I wish I could show you somewhere better  
Better to go  
And when you get there  
Well if you freak 'em all out  
Ahh with your sweatshop charm  
You'll leave 'em in no doubt  
An' when you get challenged  
You'll only lie about your age  
But it's the distance you travel  
And the fields you unravel  
Ravel the bars on your cage  
But oh oh wish you just leave me alone  
I'm so tired I wanna be on my own  
But you, you keep on calling on my telephone  
And I wish I could show you somewhere better  
Better, better, better to go

To somewhere else  
Somewhere else  
Somewhere else  
Oh you got go  
But leave me alone  
Leave me alone  
Leave me alone, ahh  
Leave me alone  
Oh just leave me alone  
What don't you understand?  
Just leave me alone  
What don't you understand?  
What, what is there  
Don't you understand?  
Just leave me alone

Just leave me alone  
Just leave me alone  
Just leave me alone  
Leave me a, leave me a  
Leave me a, leave me a  
Leave me a, leave me a  
Leave me alone
