

Capital Radio One

The Clash

Yes, its time for the Dr. Gobbles Show
Theres this tower in the heart of London
With a radio station right at the top
They dont make the city beat
Theyre making all the action stop
Long time ago there were pirates
Beaming in waves from the sea
But now all the stations are silent
'Cos they ain't got government license
Wanna tell your problems
Phone in from your bedsit room
Having trouble with your partner
Let us all in the news
If you wanna hear a record
Get the word from Aiden Day
He picks all the hits to play
To keep you in your place all day
(Capital Radio)
In tune with nothing
(Capital Radio)
In tune with nothing
(Capital Radio)
In your place all day
(Capital Radio)
Just a-lazing around all day
(Capital Radio)
Bu-bu-bumming all day
(Capital Radio)
Backstreet a-hear us out
(Capital Radio)
Grab attention go and go against the town
(Capital Radio)
[Incomprehensible]
(Capital Radio)
[Incomprehensible]
(Capital Radio)
Is it a game?
(Capital Radio)
We aint got no rights
(Capital Radio)
We're slipping off, slipping off
(Capital Radio)
Slipping off, slipping off
(Capital Radio)
Slipping off, slipping off
Dont touch that dial
Dont touch that dial
Dont touch that dial
Dont touch that dial
