

Big Man

Status Quo

I know where I'm heading for
I know what I wanna be
When they asked me at school what I wanted to be
That was all they got from me I wanna be a big man, nobody putting me down
I wanna be a big man They say love is all you need
But everyone needs to know
If you look a bit tough when you talk about love
I'm sure that love would grow I wanna be a big man, nobody putting me down
I wanna be a big man, yeah yeah Look around, see if I'm wrong
It's only a show for those who don't belong I wanna be a big man, yeah yeah
I wanna be a big man, yeah yeah I know what I'm living for
But there ain't no guarantee
If I make a wrong move you could jump in my shoes
And that ain't no good to me I wanna be a big man, yeah yeah
I wanna be a big man, yeah yeah
