

Fighting for You

Tenth Avenue North

I see the tears on your face
I watch as friends walked away
Well I've been there too
I've been there too
I see the nights you can't sleep
I hear your broken heart beat
Well I've felt that too,
Well I've felt that too
For you, My body was broken
So you are never forsaken Start walking with your head held high
Your future is bright, Heaven's gates are all opened wide
Every trouble that you ever walk through
Peace, my child,
I am
I am fighting for you
You-Ohh Ohhh Ohhh
You-Ohh Ohhh Ohhh
I am fighting for you. You tell me your a lost cause
And maybe you're too far gone
Oh that's not true
Yah that's not true
I've given my last breathe
So you can breathe again
I died for you
I died for you
For you My body was broken
So you are never forsaken. Start walking with your head held high
Your future is bright, heaven's gates are all opened wide
Every trouble that you ever walk through
Peace, my Child,
I am
I am fighting for you
You-Ohh Ohhh Ohhh
You-Ohh Ohhh Ohhh
I am fighting for you. I'll never stop,
I'll never stop,
I'll never stop,
Death couldn't need Me away
I'll never stop

I'll never stop,
I'll never stop calling your name Yea I'll never stop... it's true. Start walking with your head held high
Your future is bright, heaven's gates are all opened wide
Every trouble that you ever walk through
Peace, my Child,
I am
I am fighting for you
You-Ohh Ohhh Ohhh
You-Ohh Ohhh Ohhh
I am fighting for you.
