

Flava In Ya Ear (Club Mix)

Craig Mack

"Yo Mack, I don't even UNDERSTAND how they didn't understand you in
that Mary joint!"

"Yeah, I know, man."

"Kick that ol' robotic, futuristic, George Jetson, CRAZY JOINT!!" Just...like... Uniblab, robotic kickin' flab

My flavor be the badder

chitter-chatter

Madder than the Mad Hatter (1)

I bet you my shit come out fatter

got the data

to turn your body into antimatter (2) {...body into antimatter...}

And just like a piece of sizzlean

you'll fit inside my stomach

with the eggs and grits between {...take 'em down, Mack...}

The King is what I mean

I mean

my man get a cup

and put some change inside your hand {...take 'em down, Mack...}

Now hold up,

let's make this official {...make it official}

everybody let's agree that M.C.'s need a tissue {...wake 'em up}

The funk's my only issue,

I bet your mama miss you

and I bet the Mack take off like an M.X. missile

No more of your whining

on the charts climbing

as I make the funk

kickin' out more harder than a diamond {...harder than a diamond}

And if you didn't know who's rhyming

I guess I'm gonna say Craig Mack

with perfect timing..you won't be around next year

My rap's too severe, kickin' mad flava in ya ear {...KICK IT DOWN!} CHORUS:

Here comes the brand new flava in ya ear

{...brand new flava in ya ear...}

[time for new flava in ya ear]I'm kickin' new flava in ya ear[Mack's the brand new flava in ya ear...]Craig Mack

1000 degrees

You'll be on your knees

and you'll be burnin', beggin' please

Brother FREEZE! {BOY!...}

Man's indisputed

and deep-booted
 funk smoke that leaves your brains booted
 This bad M.C.
 with stamina like Bruce Jenner(3)
 the winner
 Tasting M.C.'s for dinner
 You're crazy like that glue {...you're crazy, boy, You're crazy.}
 to think that you
 could out-do
 my one-two
 that's sick like the flu {...shake 'em down, Mack}
 BOY, I flip
 BOY all the time, 'cause
 BOY, the rhyme you're kickin' {HAAAAAAAAAAA! BOY!...}
 ain't worth a dime
 Seems like there's no competition
 in this rap world expedition
 You come around,
 I'll knock you out [of] position {... knock 'em out!}
 No flav
 could ever dig a grave
 for the Mack
 the power pack
 in black
 makin' cement crack {...make it crack...}..and here comes the brand new flava in ya ear
 Mack's the brand new flava in ya earHere comes the brand new flava in ya ear
 {Here- comes- the- brand- new- flavor-...
 [time for new flava in ya ear]
 ...in- your- ear...
 I'm kickin' new flava in ya ear
 ...BOY!!!}
 [Mack's the brand new flava in ya ear...]
 {Flavor down...}
 Here comes the brand new flava in ya ear
 {Flavor, Flavor, here comes the flavor}
 [time for new flava in ya ear]I'm kickin' new flava in ya ear[Mack's the brand new flava in ya ear...]
 {Flavor in ya ear, boy...}HAAAAAAAAA!
 The Mack's dope
 With more hope than your Pope
 but for M.C.'s more knots than rope
 I'd like to break it down
 down-breakin'
 forsaken
 lords of M.C.'s shakin
 with this track that my man's makin'

M.C.'s will run like a bomb threat
I bet {what?}
or better yet {huh?}
make you sweat
Gettin' hotter than the sun get {yup!}
Craig Mack is the flav that romps
from here to Tibet {BOY!}
I break all rules
with my action
that the Mack sends
to M.C.'s stop relaxin'
This brand new Sherrif that's in town's
gettin' down
leavin' bodies buried in the ground {...rest in peace...}
I set up rhymes for a decoy
To off a bad boy {OOOhhhh!}
Watch the M.C.'s I destroy and.... {BOY!!} Here comes the brand new flava in ya ear
{time for new flavor...
[time for new flava in ya ear]
...fla-VOR!!}
I'm kickin' new flava in ya ear
{time for the flav...
[Mack's the brand new flava in ya ear...]
...boy, here come the Mack}
Here comes the brand new flava in ya ear
{HAAAAAAAA!...
[time for new flava in ya ear]
...wakin' up with flavor!!}
I'm kickin' brand new flava in ya ear[Mack's the brand new flava in ya ear...]
{HAAAAAAAAA!...BOY...}
