

Rockets

Bows

When I bear my soul again
Don't go wasting my time
I'm giving it my all, believe me that I'm yours
And you're mine I'm giving it my all, believe me
You don't seem to care
Say what you have to say, don't mislead me
Don't you dare I'm still trying, I can't do any more
I've loved you all my life
