

# Put On Your White Sombrero

Abba

Put on your white Sombrero saddle your horse my dear  
And ride off into the sunset  
You better go for there is no  
Place for you here  
Like an old fashioned hero you stand before me  
Ohh, you think our life is a movie  
My world is real I live and feel  
And I can do without you  
Put on your white Sombrero your red bandana too  
Think of this day as a showdown  
Goodbye my friend this is the end  
For me and you  
Now be a bold Vaquero don't show your feelings  
I, I'll cry while you're disappearing  
Into the night all dressed in white unchained  
And free without me  
Put on your white Sombrero like all the cowboys do  
Go find a sweet senorita  
Somebody meet who'll never speak  
More harshly to you  
You're such a caballero Proud, never bending  
I, I want someone who will take me  
Just as I am I need a man  
Who is in rhyme with his time  
Ohh, you'll never take me  
Just as I am I need a man who is in rhyme  
With his time
