Say Something

Frankie J

I was comin' out my front door
When I looked to my left and seen
The flyest chick I swear I'd ever seen before
She must be somethin' special
I never seen nobody like her ever
Everything about this chick was so point
From head to toe
And then I noticed that she was smilin' at your boy
But before I holla
I gotta make sure that my game is proper
The clock is goin' tic-toc, tic-toc, tic-toc
You're about to miss a once in a lifetime shot
But I gotta get it straight and make sure what I say
Lets her know just what I'm feelin'
What do you do when you finally see
The girl you've been waitin' for
The girl of your dreams?
Say something, don't let her pass by
Say something, just look her in the eye
Hey shorty, can I get a minute of your time?
I know we never met before but I
Had to say something, don't let her pass by
Say something, achievements only comes once in a lifetime
I'm gettin' ready to step to her
When I noticed her friends was lookin' at me
Like they really didn't think I should
A lonely man's got to have it
He can't let nothin' in the world stop him
So excuse me, Miss, but can I get your number?
I think you're sexy, can I call you up sometime?
Forget that, baby girl, take mine
Any time you wanna call, it's all right
The clock is goin' tic-toc, tic-toc, tic toc
You're about to miss a once in a lifetime shot
But I gotta get it straight to make sure what I say
Lets her know just what I'm feelin'
What do you do when you finally see
The girl you've been waitin' for
The girl of your dreams?

Say something, don't let her pass by
Say something, just look her in the eye
Hey shorty, can I get a minute of your time?
I know we never met before but I
Had to say something, don't let her pass by
Say something, achievements only comes once in a lifetime
I can't believe I found the one
Right outside of my front door
It seems like I have dreamt about this
A thousand times before
So I knew I had to build the nerve
I knew I had to find the words
The right thing to say
I just couldn't let you walk away
What do you do when you finally see
The girl you've been waitin' for
The girl of your dreams?
Say something, don't let her pass by
Say something, just look her in the eye
Hey shorty, can I get a minute of your time?
I know we never met before but I
Had to say something, don't let her pass by
Say something, achievements only comes once in a lifetime
Tic-toc, tic-toc, the clock is tickin'
Tic-toc, tic-toc, the clock is tickin'
Tic-toc, tic-toc, the clock is tickin'
Tic-toc, tic-toc, the clock is tickin'
