

Interlude (Creatures That Kissed In Cold Mirrors)

Cradle of Filth

Arch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightArch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightArch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightArch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightArch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightArch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightArch-Angel, Dark-Angel

Lend me thy light

Through death's veil 'till we have heaven in sightStill fuckin' here, are ya? Well I couldn't tell it. This is a track from our first promo video, the one with the dwarves and the amputees and the freaks in it, and that was just the fucking band!
