Second Time Around

The Damned

I remember what you said, second time around
Don't you wish that we were dead, second time around
Now its time for you to see, second time around
What your love so did for me, second time aroundReally famous stinking rich, second time around
Straight up there without a hitch, second time around
I remember what you said, second time around
Don't you wish that we were dead, second time aroundNo more getting pushed around, second time around
Back to haunt you with our sound, second time around
