

# Drug Me

## Sepultura

I don't want to think  
Give me balls, go with my friends  
Can't come up with anything  
My brain needs stimulationDrug me, drug me  
Drug me, drug meI'm so fucking tired  
Got it waiting for us, gotta stay  
TV and girls, third world  
Make more to storeDrug me, drug me  
Drug me, look outDrug me with natural vitamin C  
Drug me with pharmaceutical speed  
Drug me with your sleeping pills  
Drug me with your crossword puzzlesDrug me with your magazines  
Drug me with your fuck machines  
All fake fuck it awayFinally off to work  
Another potato-chip weekend  
Go away, go away  
Leave me alone, can't see myselfDrug me, drug me  
Drug me
