I Miss You

Randy Newman

Still in my heart after all these years
separated by time now by distance
I couldn't allow myself to feel the loss that I feel right now
you're far away and happy I know
it's a little bit late... twenty years or so
it's a little bit cold for all those concerned
but I'd sell my soul and your soul for a song
so I'll pour my heart out
I miss you
I miss you, I'm sorry but I do

I want to thank you for the good years
and apologize for the rough ones
you must be laughing yourself sick
but I wanted to write you one before I quit
and this one's it
I miss you, I wanted you to know
I miss you, and I still love you so.
