

Exit Calypsan (Into the Ice Cave)

Falling Up

This wind blows so softly, the movement still is in my mind.
This flag from, reedsport will start to catch beneath the wind, catch beneath the wind. It's only in your dreams,
it's only in your dreams. So exit the fall and now it's over.
it's only in your dreams. this flight comes, it's nameless, the dark is calling out my name. escape with no traces.
the movement burns inside my veins, burns inside my veins. It's only in your dreams, it's only in your dreams.
So exit the fall and now it's over.
it's only in your dreams. This is the flight, this is the fall. this is the flight this is the fall. It's only in your dreams,
it's only in your dreams. So exit the fall and now it's over.
it's only in your dreams. It's only in your dreams, it's only in your dreams. So exit the fall and now it's over. it's
only in your dreams.
