

That Dangerous Age

Paul Weller

(Shoop Shoop)
And when he wakes up in the morning
It takes him time to adjust
So sick and tired of the money
(Shoop, hes at that dangerous age)
And all the life that is lost
(Shoop, hes at that dangerous age) If you could only get it back
How high the whirl
Could start to stack
And every chance you gets to fly he goes far
In his car He likes 2 sugars in his coffee
(Shoop, hes at that dangerous age)
He wants a chick in the office
(Shoop, hes at that dangerous age)
Hes touching straight up bay
(Shoop, hes at that dangerous age)
Hes on a much higher rage
(Shoop, hes at that dangerous age)
And he will seconds of a frame
He starts to see
And takes the blame
And any chance he gets to run he goes far
In his car, very far She wears her skirt so much higher She has the heir for high flyer
(Shoop, shes at that dangerous age)
She gets down on the student range
(Shoop, shes at that dangerous age)
And all her friends think shes trying
(Shoop, shes at that dangerous age)
Shes at that dangerous age
(Shoop, theyre at that dangerous age)
Shes at that dangerous age
(Shoop, theyre at that dangerous age) (Shoop, shes at that dangerous age)
(Shoop, shes at that dangerous age) And when he wakes up in the morning
It takes him time to adjust
Hes so sick of the money
And all the life that is lost
