

# Pop's Love Suicide

## Stone Temple Pilots

Can you figure out what I want?  
Pull the trigger with a pop gun  
Mindless fools that aggravate it  
Pick at you in desperation  
Oh it's a love pop suicide  
Oh I'm in love pop suicide  
Oh I really don't know  
Pop life living is so real  
Midwest farmers' kids are milkfed  
Breed and incubate what you see  
Ten years later here on TV  
Oh it's a love pop suicide  
Oh I'm in love pop suicide  
Oh I really don't know  
Oh I really don't know  
Oh I really don't know  
  
Oh I really don't know  
Father can't you love your women?  
Father can't you teach your children?  
Long range love implosion short wicked  
Short wave mind explosion [Incomprehensible]  
Oh I'm in love pop suicide  
About a pop star homicide  
Oh I really don't know  
Oh I really don't know  
Tell me somethin' about you  
Tell me somethin' about you  
Oh I really don't know  
Tell me somethin' about you  
Tell me somethin' about you  
Tell me somethin' about you
