

The Christmas Song

Owl City

It's Christmas and we walk alone
Two strangers with no one to miss us
On our own
Out in the coldTrudging onward
Braving a harsh winter storm
You and I met passing by
And now our spirits feel warmI don't have anyone at home to talk to
And you don't have anything to do
So I'll spend my Christmas with you
I'll spend my Christmas with youIt's Christmas and we are in love
With the way that the soft snowflakes kiss us
From far above
The blustery breezeTrudging onward
Braving a harsh winter storm
You and I met passing by
And now our spirits feel warmI believe that Jesus is truly the only way
I celebrate Christmas because it's his birthdayI don't have anyone at home to talk to
And you don't have anything to do
So I'll spend my Christmas with you
I'll spend my Christmas with you
I'll spend my Christmas with you
I'll spend my Christmas with you
