

# MY DICK

## 3OH!3

[Intro]

E-e-e-very time I look at my dick

Dick, dick, dick[Verse 1]

Call me on the dog and bone

All you Yank's, it's a telephone

'Ere have a look just have a butcher's

Northern monkey Comanches

My dick's bigger than your brother

Pushing twenty-five stones like your mother

My dick's bigger than Wales

And your dick's smaller than a motherfuckin' snail[Verse 2]

Ma bite mec

Ca monte jusqu'a la tour

Ta bite mec

Ca voit meme pas le jour[Verse 3]

My dick like the Mississippi river

My dick ask your bitch, what's for dinner?
