INTROSPECTIVE (MNYNMS REMIX)

The New Division

This ain't a safe ride home
Not for a girl of your kind
It ain't a place I'd go
There's nothing for you & I
The city lights fall on our face
(This time)
I can't protect us from our fate
(Oooooh)
The city lights fall our face
(This time)
I can't protect us from our fate
I'd like to keep your safe from harm
But man with these days you never know
The city lights fall on our face
(This time)
I can't protect us from our fate
(Oooooh)
The city lights fall our face
(This time)
I can't protect us from our fate
And there's no holding on
(This time)
There's no holding on
