

# The Saga Of Jesse Jane

Alice Cooper

I'm in jail in a Texas town  
In my sister's wedding gown  
I drive a truck all night long  
Listening to Judy Garland songs  
Now I'm locked behind bars of steel  
I was just looking for a happy meal  
I park my rig and I went inside  
They've never seen such a pretty bride  
Jesse Jane, are you insane  
Or are you just a normal guy  
Who dresses like a butterfly?  
Jesse Jane  
I paid my bill and I turned around  
Facing every red neck in that one horse town  
His face was red, his fist was clenched  
He threw his coke and he got me drenched  
Jesse Jane, are you insane  
Or are you just an average Joe  
Looking for a fashion show?  
Jesse Jane  
Well, I guess that was the final straw  
I pulled a pistol from my Wonderbra  
I killed him dead, I killed 'em all  
And they finally caught me in the bathroom stall  
And now I'm doing ten to life  
But I'll tell you one thing, Bubba  
Someday I'm gonna make someone in here  
A hell of a wife  
Jesse Jane, are you insane  
Or are you just an average guy  
Who dresses like a butterfly?  
Jesse Jane  
Jesse Jane, are you insane  
Or are you just a Peter Pan  
Looking for his Neverland?  
Jesse Jane
