Wear It So Well

Far

So what if I was your lover
A thousand time before you and all the others
Still doesn't make me a whore
Still doesn't make me yoursYou try to say it's what happened
That you were there well, so was I said
You're mine, I know this now
I'll tell you somethingYou wear it so well
You wear it
You wear it so wellFor a worn-out, splintered prison palace
Sister, you wear it so wellYou're up here with angels
You look like hell
I'm not going down with you nowWell, baby, you wear it so well
You wear it so well
You wear it so wellYou're up here with angels
You look like hellYou wear it so well
You wear it
You wear it so
