

# Secret Lover

**Jean B. Gerbier**

Secret lover

I

I never told you, that sometimes I go to your

College Campus, just to see you and think of the  
way you make me feel, when I look in your eyes see  
is a lover

Chorus

Secret lover, at night I stare up at the stars.  
Secret lover, only you know my desire. Secret lover,  
my body is longing for your body. I like it when you  
sing along with me.

II

Sometimes at night in the pale moonlight, I hold the  
chocolate and the flowers you gave me real tight. I  
dream of you and I am always hoping, that you dream  
of me too.
