

# That's Alright

[Beverley Knight](#)

All things work for better (gotta work together)  
When people learn to love We know that all things work together for our good (let me sing about it)  
And that's alright (so right)  
Alright (so good)  
We know that all things work together for our good (and that's alright)  
And that's alright We know that all things work together for our good (think about it)  
And that's alright (so right)  
Alright (alright)  
We know that all things work together for our good (I know, I know)  
And that's alright  
So right  
So good And it feels good  
(Work together for our good)  
Let me shout it out  
(That's alright, so right)  
(Alright, so right)
