

Gots to Get Her

Blake Lewis

(Listen)

See this girl, she walks up to me
Got body like you would not believe
First glance

She had me in a trance I think that she dropped down and stopped

Pop her hip twice
Worked that down

Then up with the lift like damn,
Time to take a chance

('Cause oh what you do to me)[Chorus]

Look what I do to get her

I'd play the fool to get her

I'd cross the world to get her

I got to, got to get her, get her I'd fight the rest to get her

I'd spend my last to get her

Might be crazy, might go broke

But all I know

I've got to get her Every little thing that she does is magic

All I really know is I've got to have it Can't believe that I'm here, a witness

She's got me, her thought is relentless, damn

She knows that I'm a fan (I'm such a fan of her) Hold that thought like it or not

She's got that walk, make any jaw drop

She'll make ya stop, and wanna take her picture

Diddy bop and take her home with ya She knows that I just wanna make her mine

But everybody wanna get in line

She's holding back but I let her know

She's about to let it go [Chorus] I'd fight the rest to get her

I'd spend my last to get her

Might be crazy, might go broke

But all I know

I've got to get her Get that name, swallow my pride

Ain't got no shame, I gotta catch that dive

She already caught my eye (Beatboxing)

I'm gonna get it

I'm gonna get it

I'm gonna get it I see this beauty and I know that she'd feel it

She hear that music and she lean back, rock with it

Everything about her, she's a one stop shop, get it

You make a move, you better come, come, come with it [Chorus] Just can't stop, watchin' the clock

Time flies, tick tock
She's got me off my game
Feel's like I'm going insane ('Cause oh what you do to me)[Chorus]I'd fight the rest to get her (I've got to)
I'd spend my last to get her (I've got to)
Might be crazy, might go broke
But all I know
I've got to get herSee this girl, she walks up to me
Got body like you would not believe
First glance
She had me in a trance
