

Can't Change a Thing

Catherine Britt

Kissed you twice it was nice
I will not apologise
Ran away too change my mind
Well at least I didn't lie
Do do do do do
Wherever I go there I am
Wherever I've been so I've been
I'll never take it back again
I can't change a thing
I was once really shy
I didn't know which way to go
Too afraid to speak my mind
Know I think that I might know
Do do do do do

Wherever I go there I am
Wherever I've been so I've been
I'll never take it back again
I can't change a thing
I can't change a
I can't change a

So there are things I may have done
I'm not proud of everyone
But everyone is who I am
I'd never take it back again
Wherever I go there I am
Wherever I've been so I've been
I turn around and I grin
I can't change a
Wherever I go there I am
Wherever I've been so I've been
I'll never take it back again
I can't change a
I can't change a thing

Do do do do do do do do (I can't change a in the background vocals until end of song)

Do do do do do do do do do
Do do do do do do do do
Do do do do do do do do do
Do do do do do do do do
Do do do do do do do do do

Do do do do do do do
Do do do do do do do do
