She's Not There (Re-Recorded)

The Zombies

Well, no one told me about her
The way she lied
Well, no one told me about her
How many people criedBut it's too late to say you're sorry
How would I know, why should I care?
Please don't bother trying to find her
She's not thereWell, let me tell you 'bout the way she looked
The way she acts and the color of her hair
Her voice was soft and cool, her eyes were clear and bright
But she's not thereWell, no one told me about her
What could I do?
Well, no one told me about her
Though they all knewBut it's too late to say you're sorry
How would I know, why should I care?
Please don't bother trying to find her
She's not thereWell, let me tell you about the way she looked
The way she acts and the color of her hair
Her voice was soft and cool, her eyes were clear and bright
But she's not thereBut it's too late to say you're sorry
How would I know, why should I care?
Please don't bother trying to find her
She's not thereWell, let me tell you about the way she looked
The way she acts and the color of her hair
Her voice was soft and cool, her eyes were clear and bright
But she's not there
