Damn

Katy Perry

We woke up late, said goodbye
Now I'm standing outside on the street
I walk through the city
I'm laughing, bouquets staring down at my feet
And I look up and this sky might fall
Open up and pull me in
I feel like an angel who's fallen
I just got to have this first taste of original sin
Damn, can you feel it?
Damn, I can't believe it
Damn, you got me feelin' good
Damn, do you dig it?
That's the way you do it
Damn, you know, you give it good
Two minutes later
I'm counting the seconds and hours to go
I'm working a sweat out of bed
Just the thought of you is making me glow
I'm goin' about it, you gave it good
You're back up, can't just leave it alone
I'm walking from acres across
Now I'm going home to do it all again on my own
Damn, can you feel it?
Damn, I can't believe it
Damn, you got me feelin' good
Damn, do you dig it?
That's the way you do it
Damn, you know, you give it good
You got my tongue, it's so tied
My eyes are open wide

And my hair is standing up on my skin
And I keep sayin'
Damn, do you dig it?
That's the way you do it
Damn, you know, you give it good
Waltz through the door and into your room
'Cause this whole world lies
But you tell me the truth

Think I'll give you up?
You're not gonna let me down
Your love is like an ocean
And I'm starting to drown
Damn, can you feel it?
Damn, I can't believe it
Damn, you got me feelin' good
Damn, do you dig it?
That's the way you do it
Damn, you know, you give it good
You got my tongue, it's so tied
My eyes are open wide
And my hair is standing up on my skin
And I keep sayin'
Damn, do you dig it?
That's the way you do it
Damn, you know, you give it good
Oh yeah, yeah
I can't believe it, I can't believe it
Oh yeah, you got me feelin' good
Good, good, good
